

Saratoga Community Housing

Strategic Plan 2008

Our Mission Statement

The mission of Saratoga Community Housing is:

Stewardship of our land to build affordable communities for generations to come

Our Vision

Saratoga Community Housing members share a vision of healthy, diverse and sustainable Island County communities offering affordable housing opportunities for our lower to moderate income residents. Inclusive housing strategies will provide long term affordable housing. We support our mission by:

- Holding land in trust for permanently affordable housing solutions
- Building homes with sustainable and environmentally sensitive practices
- Offering homebuyer education and homeowner support
- Acting as Stewards to preserve and enhance the diversity and strength of our communities

Saratoga Community Housing's 3-5 Year Goals and Strategies:

- **Develop the organizational capacity and systems necessary to accomplish our mission, vision and strategies.**
- **Develop resources to support the operational expenses and to support ongoing projects**
- **Develop and maintain our Membership base**
- **Increase public awareness and support for our organization**
- **Increase homeownership opportunities using existing and new housing stock**
